

18th July 2022**To All Matica Technologies Partners****Subject: XID8100 End Of Life (EOL) Announcement**

Dear Matica Technologies Partner,

This document hereby serves as formal End of Life (EOL) notification of the **XID8100 Series** of retransfer card printers, effective immediately. This is affecting the following part numbers:

PR000159	XID8100 Retransfer Printer / single sided
PR000164	XID8100 Retransfer Printer / dual sided / SRT Ribbon and SRT Retransfer Film only

The **XID8100 Series** was withdrawn from sale in 2022. The *end-of-life* decision on these part numbers was made as part of our on-going product lifecycle management process. Products on EOL are considered discontinued and therefore not on active sale at the announcement date of discontinuation.

As part of our End-of-Life process, Matica Group will endeavor that, as far as possible, spare parts and consumables will be available for a limited period.

We thank you for your commitment in promoting our Matica Technologies products. Our regional teams remain at your disposal for any enquiry, please feel free to ask for our support.

Sincerely,

David Worsdell
Chief Marketing Officer
Matica Technologies SA
